

Fresno city planning Commission
Approved language for farmers market
June 2008 to city council on 6/3 and 6/10

SECTION 6. Section 12-105-F of the Fresno Municipal Code is amended by adding subsection 4.5. thereto to read:

Definition

4.5. FARMER'S MARKET shall mean a commercial use with an organized display, indoors or outdoors, of agricultural products, in their natural state, for retail sale. Such agricultural products shall comprise at least 75% of the retail space available. Other products such as processed food (dried fruit, cheese or bread, for example), or artisan handiwork or art, may comprise the remaining twenty-five percent (25%) of the retail space available.

SECTION 124. Section 12-304-B of the Fresno Municipal Code is amended by adding Subsection 25. thereto to read:

Uses by CUP

25. Farmer's Market, as defined in 12-105-F-4.5, and subject to the following conditions:

- a. Agricultural products shall comprise at least seventy-five percent (75%) of the retail space available.
- b. The exhibition and sale of other agricultural products such as processed food (dried fruit, cheese or bread, for example), or artisan handiwork or art, shall not exceed twenty-five percent (25%) of the retail space available.
- c. The sale of alcoholic products is limited to wine only, by the bottle, not to be consumed on-site, and is subject to securing a conditional use permit for the sale of alcohol.
- d. The sale of second-hand, or used merchandise, is prohibited.
